Dear Stephen,

This letter will confirm that GreatAmerica Leasing Corporation will lease, in conjunction with imaging equipment, ESP Power Protection Products. Provided equipment pricing is acceptable according to GreatAmerica's pricing policy which is 125% of MSRP. The cap of how high we fund the 125% depends on dealer size; it can go as high as \$100,000.

We, at GreatAmerica Leasing Corporation, look forward to working with ESP.

Sincerely,

Greg VanDeWalker  
Vice President - Sales
